Title: Fellow Sages

Author: Analeiza

---

Fellow Sages,  
The time for action has  
come, and in this matter  
in particular, our voices  
must be heard - and  
heard as one. We are all  
aware of GreyPawn's  
apparent madness. We  
know of his attacks on  
our virtuous cities, of his  
theft of the artifacts  
representing the  
principles. It is time that  
we come together in one  
final diplomatic attempt  
to speak with GreyPawn.  
As individuals, we are  
ignored. As one voice, we  
cannot be overlooked.

A meeting of all sages  
will take place on  
Wednesday, January 16th  
at 9:00 pm at our  
Felucca Headquarters.  
Please do all that you  
can to be in attendance.
